

## Virtual Staff Cadet Serials

Serial No	Course/Activity	Element	Language	Unit in Charge	Application End Date	Start Date	End Date
SC/CC-CTC(V) Alpha	Staff Cadet (Virtual)	Sea, Army, Air	English	CTC(v) Alpha	31-Mar-21	28-Jun-21	14-Aug-21
SC/CC-CEC(V) Bravo	Staff Cadet (Virtual)	Sea, Army, Air	French	CTC(v) Bravo	31-Mar-21	28-Jun-21	14-Aug-21
SC/CC-CTC(V) Charlie	Staff Cadet (Virtual)	Sea, Army, Air	English	CTC(v) Charlie	31-Mar-21	28-Jun-21	14-Aug-21

### Eligibility Criteria:

Staff Cadets - Are not employees. Participation by staff cadets during authorized CTC summer training (CATO 34-01) constitutes advanced training. Eligible staff cadets from Falkland may apply to any virtual or in-person CTC, but must prioritize their choice. Priority will be given to staff Central Region CTC billets for cadets from the Central Region, which includes Falkland cadets. Staff cadets cannot be less than 16 years of age as of the first day of January of the year of advanced training. Staff cadets may be reassigned positions by the CTC CO to meet training requirements.

**Eligibility Criteria:**

**Virtual Restricted Operator's Certificate (M)** - The Virtual Restricted Operator's Certificate (Maritime) provides the cadets an opportunity to achieve the ROC(M) qualification. Course content includes Global Maritime Distress and Safety Systems, regulations and policy and Digital Selective Calling. Cadets applying for this course should have the Pleasure Craft Operator Competency qualification, be 14-16 years of age, and have successfully completed Phase Three/ Silver Star/ Proficiency Level Three.

**Virtual Pleasure Craft Operator Competency** - The Virtual Pleasure Craft Operator Competency (PCOC) provides the cadets an opportunity to achieve the PCOC qualification. Course content will include description of applicable regulations and policies, personal safety when on board a vessel and recognizing navigational aids. Cadets applying for this course should be 14-16 years of age and have successfully completed Phase Three/ Silver Star/ Proficiency Level Three.

**Virtual Military Band – Basic** - The Military Band – Basic Musician course provides cadets an opportunity to participate in music training and military band activities, to prepare them to support corps / squadron music programs. Activities include maintaining a primary instrument, music theory and demonstrating rhythm skills. Cadets must have an instrument to participate in music training. Cadets applying for this course should be between the ages of 12 and 14 and have successfully completed Phase One / Green Star / Proficiency Level One.

**Virtual Military Band – Intermediate** - The Military Band – Intermediate Musician course provides cadets an opportunity to participate in music training and military band activities, to prepare them to support corps / squadron music programs. Activities include maintaining a primary instrument, music theory, and individual lessons. Cadets must have an instrument to participate in music training. Cadets applying for this course should have obtained a Military Band Music Level Basic, be between the ages of 13 and 15 and have successfully completed Phase Two / Red Star / Proficiency Level Two.

**Virtual Military Band – Advanced** - The Military Band – Advanced Musician course provides cadets an opportunity to participate in advanced music training and military band activities, to prepare them to lead and instruct corps'/squadron music programs. Activities include music theory, leadership, and instructional technique. Cadets must have an instrument to participate in music training. Cadets applying for this course should have obtained a Military Band Music Level Two, be between the ages of 14 and 16 and have successfully completed Phase Three / Silver Star / Proficiency Level Three.

**Virtual Pipes and Drums – Basic** - The Pipes and Drums – Basic Musician course provides cadets an opportunity to participate in music training and pipe band activities, to prepare them to support corps / squadron music programs. Activities include maintaining a primary instrument, music theory, demonstrating rhythm skills and individual lessons. Cadets must have an instrument to participate in music training. Cadets applying for this course should be between the ages of 12 and 14 and have successfully completed Phase One / Green Star / Proficiency Level One.

**Virtual Pipes and Drums – Intermediate** - The Pipes and Drums – Intermediate Musician course provides cadets an opportunity to participate in music training and pipe band activities, to prepare them to support corps / squadron music programs. Activities include maintaining a primary instrument, music theory, and individual lessons. Cadets must have an instrument to participate in music training. Cadets applying for this course should have obtained a Music Proficiency Level – Pipes and Drums Level Two, be between the ages of 14 and 15 and have successfully completed Phase Two / Red Star / Proficiency Level Two.

**Virtual Pipes and Drums – Advanced** - The Pipes and Drums – Advanced Musician course provides cadets an opportunity to participate in advanced music training and pipe band activities, to prepare them to lead and instruct corps' music programs. Activities include music theory, leadership, and instructional technique. Cadets must have an instrument to participate in music training. Cadets applying for this course should have obtained a Music Proficiency Level – Pipes and Drums Level Three, be between the ages of 14 and 16 and have successfully completed Phase Three / Silver Star / Proficiency Level Three.

**Virtual Cadet Correspondent** - The Cadet Correspondent virtual workshop is a 5 session course where the cadets learn the basics of supporting Public Affairs. The modules include how to effectively use social media, take a great photo, and become a storyteller the unit / squadron. The cadets will require a device to capture imagery, this does not have to be a fancy camera, it could be a phone or tablet. Cadets applying for this course should be between the ages of 15 and 17. The training will be a combination of instructor and self-guided content.

**Introduction to Fitness and Sports** - The Virtual Introduction to Fitness and Sports course provides cadets an opportunity to perform the duties of a fitness and sports specialist with the skills and subject matter knowledge required to perform the role of a fitness and sports team leader for fitness and sports activities conducted at the corps / squadron. Activities include personal fitness and healthy living, and leading recreational sports. Cadets applying for this course should be between the ages of 14 and 16 and have successfully completed Phase Three / Silver Star / Proficiency Level Three.

**Virtual Coaching** - The Virtual Coaching course will provide cadets the opportunity to perform coaching skills within the Cadet Program. Topic areas covered within the course will include the SMART approach to goal setting, the GROW model for coaching, and coaching skills required to coach within the cadet marksmanship and biathlon programs. Cadets applying for this course should be between the ages of 15 and 16 and have successfully completed Phase Four / Gold Star / Proficiency Level Four.

**Virtual Instructional Techniques** - The Virtual Instructional Technique course will provide cadets an opportunity to perform the skills necessary for Classroom Instruction, Drill Instruction and Virtual Instruction. Topic areas covered within the course will include, how to complete a lesson plan, how to create and utilize training aids, communication techniques for face to face instruction and virtual instruction. Cadets applying for this course should be between the ages of 14 and 16 and have successfully completed Phase Three / Silver Star / Proficiency Level Three.

**Effective Communication** - The Effective Communication program will allow cadets to develop communication skills, focusing on attributes necessary for effective leadership and encouraging cadets to challenge themselves through competitive and motivational speaking. Cadets applying for this program should be between the ages of 13 and 15, ideally in years 2 or 3 of the cadet program.

**Cadet Cyber Training** - The Cadet Cyber Training Course will be conducted over the course of 2 weeks. Cadets will be immersed into the work of Cyber Security, learning, and securing multi-platforms operating systems (Windows 10 and Ubuntu 18) and interact with CAF/COATS Cyber Educators. Training provided will help cadets develop the Cyber Defence skills required to compete in an online competition with other groups from across the world at the end of the week. Successful participants will acquire the skill set to lead and support cadets in virtual and cyber activities within the CCO.
